

## 1U LCD Combo-free KVM console with 15"/17"/19" monitor, Slim Keyboard and Touchpad, and optional Cherry Keyboard and Trackball

### Introduction

**CYCLOPS-G** Series is a series of 19" cost efficient 1U rackmountable Combo-free KVM unit monitors and controls up to 16 computers (expandable to 128 computers), assists in efficient management of valuable space. The series provides options of 15", 17" or 19" LCD monitor. On Screen Display provides you with control over frequency, resolution, backlight luminance and brightness of the video display. Password function enables limited access to all the computers for extra security. The new additional features of this console includes the easy reachable rail-lock switch to avoid user's fingers from being clipped when pushing back the console and also new rail design that enables a single person to mount the console into the rack easily. SUN systems console also available.

### Features

- 19" 1U 8/16-port Combo-free KVM switch with 15"/17"/19" LCD display and 106-key Keyboard and Touchpad
- Expandable to control up to 128 computers
- OSD menu to control frequency, resolution, backlight luminance and brightness of the video display
- Rail-Lock Switch for maximum safety
- Options available for:
  - ◆ Combo-free with Cherry Keyboard and Trackball
  - ◆ DVI inputs and USB ports
  - ◆ SUN System keyboard for 17" and 19" LCD panel
  - ◆ Push buttons with LED indication for direct port selection
