

## Compact wallmount chassis with 2 drive bays, supports microATX motherboard and SFX power supply

### Introduction

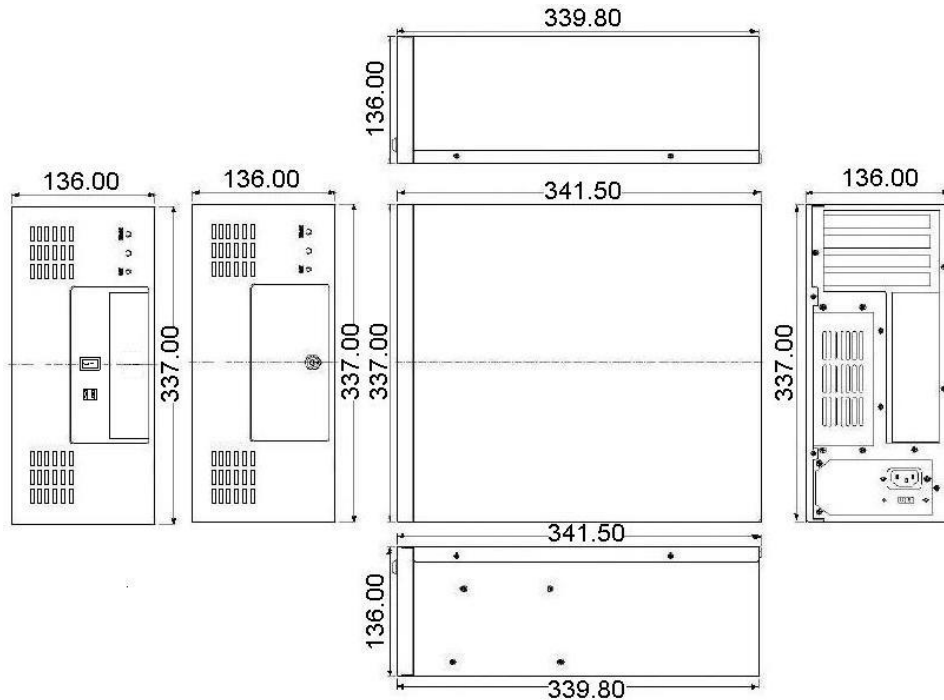

**WMC-402M** "Hawkeye" is a wallmount / desktop industrial grade chassis specifically designed for PC based Digital Video Recording system for security, monitoring, transaction, access control and other safety applications. Within its heavy-duty steel construction it supports standard microATX board, one external 5.25" drive bay for DVD drive and one internal 3.5" drive bay for HDD, sufficient for small video system management. One super Low-noise 8 cm fan ensures excellent airflow for superior system cooling while maintaining the silence and tranquility of the room. The system is powered by 300W SFX power supply which is sufficient to support the system full loaded. **WMC-402M** is definitely the perfect choice for surveillance system in residential and commercial area.

### Features

- Compact industrial wallmount chassis
- Heavy-duty steel construction shoebox, can be mounted horizontally or vertically
- 3mm aluminum front panel for extra ruggedness
- One external 5.25" drive bay and one 3.5" internal drive bay
- One extra space for additional 3.5" drive
- One 8cm ball-bearing fan for excellent airflow
- Supports SFX power supply
- Perfect replacement for VCR time-lapse CCTV systems, an affordable Digital Video Management System for small businesses and homes, Digital Signage, and Video wall system
- 337 x 339.8 x 136mm (WxDxH)

## Mechanical Drawing

### Construction

- Heavy-duty Steel
- 3mm aluminum front panel for extra ruggedness

### Color

- Black

### Board Support

- microATX motherboard

### Drive bay

- (1) 5.25" external drive bay
- (1) 3.5" internal drive bay
- (1) extra space for additional 3.5" drive

### Expansion

- (4) expansion slots

### Port

- (2) USB ports on front panel

### Switch

- Power On/Off

### Indicator

- Power On/Off, HDD activity, and Recording-in-Progress defined LEDs

### Cooling System

- (1) 8cm ball-bearing fan

### Power Supply

Support SFX ATX power supply

### Operation Temperature

- 0~55 °C

### Dimension (W x D x H)

- 337 x 339.8 x 136 mm
- 13.26 x 13.4 x 5.36 inches

### Weight

- NW: 5.1kg / 11.3lbs
- GW: 8.1kg / 17.9lbs
