

Industrial 21" Panel PC for Ordering Kiosk

Stereo Speakers

21" Touch Panel

Receipt printer

IC card reader

Introduction

Introducing our state-of-the-art 21-inch Self-Ordering Kiosk, the perfect blend of technology and convenience for any fast-paced restaurant or cafe. This innovative kiosk comes equipped with a vibrant 21-inch touchscreen display, providing a user-friendly interface for customers to place their orders with ease.

Our self-ordering kiosk is designed to streamline the ordering process, reduce wait times, and enhance customer satisfaction. With its sleek design and robust build, it's an excellent addition to any establishment looking to modernize its service offerings.

Features

- **Large 21-inch Display:** A spacious and interactive screen that makes menu navigation and order customization a breeze.
- **Dual Speakers:** High-quality audio output for clear and audible prompts, ensuring a seamless ordering experience.
- **Receipt Printing:** Integrated thermal printer that quickly produces receipts for customers, keeping a tangible record of their purchase.
- **IC Card Payment:** A secure and fast payment solution with an IC card reader, allowing customers to pay with a simple tap of their card.
